

ICT

TEACHING ACTIVITY

MY SHIP IS LOADED WITH

Ict –task for working in pair.

By using the internet the students are going to learn more about import and export in their country.

**The task.**

What does Norway import or export to

- Spain
- Romania
- Turkey

In addition

Find out what sorts of vegetables and fruits are grown in one of these countries – Spain, Romania or Turkey.

Use the internet and get in touched with students in one of the countries – maybe they can help.

The students are going to perform their answers using a PowerPoint presentation.
