

## Uncle 'Zambur Zumbur'

This game enables students to learn more about the occupations and the things related to them. The number of the students may vary.

- One of the students called 'uncle Zambur Zumbur' sits on a chair.
- Another student come closer to uncle Zambu Zumbur and bends down in front of him. Uncle Zambur Zumbur gives him an occupation and chooses an equipment related to this job. But, he doesn't tell the equipment to anyone.
- By the way, the other students stand in a row and jump one by one on the student who is still bending down.
- The student who jumped on the other student asks Uncle Zambur Zumbur what his (The student who is bending down) job is.
- Uncle Zambu zumbur says his job and asks what he needs for this occupation.
- The student above tells an equipment name
- If this equipment matches with the one which Uncle Zambur Zumbur keeps in mind, the student above is disqualified .
- The student who is disqualified is to be bend down this time.
- The other students jump one by one and the game continues like that.

The game has many variations in Turkey. Named as 'long donkey'
