

Education and Culture DG

Lifelong Learning Programme

Teaching innovatively (with focus on ICT) and its impact on the quality of education”

LESSON PLAN

(ENGLISH)

Name: Ebru Eroğlu

School: HASAN HÜSEYİN AKDEDE ANATOLIAN

TEACHER TRAINING HIGH SCHOOL

Date: March 19th

Time of lesson: from 09.00- 09.40

Class: 10th grade

Level :Pre-Intermediate

No. of students: 25

Lesson Objectives:

- To create an improvement in the learners' listening and speaking skills in English.
- To have fun while learning
- To use ICT as a successful tool when learning

Assumptions:

Students are familiar with some word patterns and grammatical structures.

Anticipated problems:

The students may not be able to remember some words.

Materials:

- computer, speakers
- video
- software

Aim:

1. To review some words about animal life and an introduction to the topic

Procedures:

1. Learners are made to talk about animal life.

Activity 1- Speaking activity

- The teacher asks some questions related to animal life to create curiosity and remind some words

Example: Are you interested in wild animals?

What kind of programs about animals do you usually watch?

What do you know about lions?

Where and how do they live?

What does the word 'territory' mean?

What does the word 'track' mean?

What does the word 'prey' mean?

What does the word 'encounter' mean?

What does the word 'roar' mean?

Interaction: Timing:
