The image shows a web browser window on the left and a code editor on the right. The browser window displays a file from the local drive: `file:///C:/Users/ancal/OneDrive/Desktop/hh/index.html`. The page content includes a red circular logo, the text "Your file couldn't be accessed", a message "It may have been moved, edited or deleted.", and the error code "ERR_FILE_NOT_FOUND". The code editor on the right shows the HTML source code of the file, which is a frame-based layout. The code includes a title "...", a frame set with two columns (20% and 80%), and a frame set with two rows (100 and 200). The first row contains a frame with source "menu1.html" and a frame with source "menu2.gif". The second row contains a frame with source "continut1.html". The status bar at the bottom of the code editor indicates the cursor is at line 15, column 34, with 247 characters and 100% zoom.
